

MEDLEY DE MUSIQUES DE FILMS

1 HALLELUJAH Léonard COHEN

I've heard there was a secret chord
That David played, and it pleased the Lord
But you don't really care for music, do you ?
It goes like this
The fourth, the fifth
The minor fall, the major lift
The baffled king composing Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

2 SORRY SEEMS TO BE THE HARDEST WORD Elton JOHN

What have I gotta do to make you love me ?
What have I gotta do to make you care ?
What do I do when lightning strikes me
And I wake to find that you're not there ?
What do I do to make you want me ?
What have I gotta do to be heard ?
What do I say when it's all over ?
Sorry seems to be the hardest word

It's sad, (*so sad*) so sad
Oh it's a sad, sad situation
And it's getting more and more absurd
It's sad, (*so sad*) so sad
Why can't we talk it over ?
Always seems to me
(That) sorry seems to be the hardest word

3 SKYFALL ADELE

This is the end
Hold your breath and count to ten
Feel the Earth move and then
Hear my heart burst again
For this is the end
I've drowned and dreamt this moment
So overdue I owe them
Swept away I'm stolen

Let the sky fall
When it crumbles
We will stand tall
And face it all together

Let the sky fall
When it crumbles
We will stand tall
Face it all together At Skyfall
At Skyfall (Wo-ou-ou)

4 MY HEART WILL GO ON James HORNER (1997)

Every night in my dreams
I see you, I feel you
That is how I know you go on

Far across the distance
And spaces between us
You have come to show you go on

Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on
